On the 27th the Resident sent a reply that he would communicate in due course what the Executive Committee of the St. Johns' Ambulance Association would decide to do in the C & M - Station and that he would also send copies of circulars on the subject that he might receive from Simla. NOTE.

Dated...12th...September...1917.

16 The question of 'Our Day' celebration has to be worked up. All the papers on the subject, including correspondence with the Residency, may be collected.

17 A letter has been received from the Residency, D.O.No.6985 dated the 10th instant, a copy of which is attached. I acknowledged the letter in these words last night:-

18 "Many thanks for your D.O.letter No.6985 of the 10th instant on the subject of the celebration of 'Our Day', which I was glad to receive this evening. I will make the necessary enquiries and reply as soon as I can."

19 This case may kindly be worked up by the General Secretary. Probably, Committees will have to be formed.

"Our Day" celebrations.

Object.

24 The object of "Our Day" celebrations on the 12th December 1917 is to provide funds for the St. John Ambulance and Red Cross Society. For this purpose funds have to be collected, and these will be allocated by His Excellency the Viceroy between Mesopotamia and India.

Arrangements in Bangalore.

25 The Hon'ble the Resident suggests, that an open air ~~fete~~ may be arranged for, on the day in question, and that there may be a combined celebration on behalf of the City and C & M Station. This may be agreed to, and the Residency informed that the services of such of the inhabitants of the City, as they may desire, may be enlisted to work on the general and sub committees that they may appoint in connection with the ~~fete~~.

P₁

P₂

26 The next question is whether committees should be formed in the several district head quarters ^{to} concert measures for the celebration of "Our Day". The twelfth day of December 1917 will be declared to be a Public Holiday in British India and will probably be a holiday in Mysore also. If it is necessary, Deputy Commissioners may be instructed to form ~~necessary~~ committees and to collect money ^{to the best possible} in the following ways which are the modes that have been suggested by the Executive Committee of the Indian Branch of the Joint War Committee of the

It was very good of you to come to our meeting yesterday and I greatly hope that both here in Bangalore as well as throughout Mysore generally we shall live up to our reputation (a well merited one in my opinion) of generosity in all the great charities connected with the war. As it is, the Mysore issat in all such matters stands second to none. And this particular charity is very dear to my heart as I think it is doing perhaps the finest work of all and is as much appreciated by our Indian as our English troops.

My dear Sir M. Visvevaraya,

Kindly refer to your demi-official letter dated the 25th ult. in regard to the proposed celebration of "Our Day" on December 13th. At our meeting recently held at the Residency the feeling was strong that so far as Bangalore is concerned it would be best - as has been done, I believe, on other similar occasions - to arrange for a combined celebration on behalf of the City and the C. & M. Station. Would you kindly let me know whether there could be any objection to this from the Durbar's stand-point?

I shall be very glad to discuss the matter with you on any day that best suits your convenience.

Col. Gimlette, C.I.E., (now Residency Surgeon) is the local Honorary Secretary for the Red Cross and St. John's Ambulance Associations and we propose to appoint a special committee with a number of sub-committees to arrange for an open air Fete on the day in question. If you agree to a joint celebration, as suggested above, we want to enlist the services of many of the inhabitants of the City to work on the General and Sub-committees, in connection with the Fete.

Yours sincerely,

Signed. H.V. Cobb.
